

CITY OF WARD, ARKANSAS
RESOLUTION R-2023-28

**A RESOLUTION AUTHORIZING THE PURCHASE A BREATHING AIR COMPRESSOR SYSTEM FOR
THE WARD FIRE DEPARTMENT**

WHEREAS, the use of self-contained breathing apparatus (SCBA) for firefighters has been mandatory since the 1970s; and,

WHEREAS, THE WARD FIRE DEPARTMENT has had the ability to fill SCBA bottles for years and the current compressor system is on loan from the vendor as our previous compressor system failed; and,

WHEREAS, THE WARD FIRE DEPARTMENT has an immediate need to replace the loaner compressor and has a long-standing relationship with Central Alabama Solution and is very familiar with their product.

NOW, THEREFORE, IT IS HEREBY RESOLVED THAT THE CITY COUNCIL OF THE CITY OF WARD:

SECTION 1: Authorizes the Mayor or City Clerk to purchase one (1) new Mako Model EA06H and four (4) cylinders as depicted on the attached quote to include the optional 5-year/1000-hour warranty for a total cost of \$32,500.00.

SECTION 2: Authorizes this purchase to be paid from Act 833¹ Funds.

SECTION 3: The need for additional quotes is waived because of the long-standing relationship with the vendor and the familiarity with the product.

SAID RESOLUTION WAS ADOPTED ON 11/13/23.

YEAS: 6 NAYS: 0

APPROVED:

Charles Gastineau, Mayor

ATTEST:

Krystal Rummel, City Clerk

¹ The State Fire Protection Services Program - Act 833 of 1991 is to provide funding for improvements to qualified fire departments and is not intended to fund the daily operational funding for fire departments. All expenditures using Act 833 funds must be directly related to firefighting capabilities

"Supporting Your Commitment to Safety"

Chief Tony Reeves
Ward Fire Department
PO Box 237
Ward, AR 72176

Chief Reeves,

Per my conversation with you and your request for budgetary quotation, please see the following information related to the Mako Compressors line of breathing air compressor systems that we here at CATS offer.

- (1) MAKO Model # EA06H, 6000 PSI, 14.0 CFM, 208/230 Volt, Single Phase Electric Driven, EconoAir Open Frame [complete with automatic drain valve, emergency stop button, hour meter, final stage pressure gauge, Visual CO/Moisture indicator, Low Oil Pressure switch, auto start/stop air pressure switch, 10 HP motor, MK2C Grade E purifier (24,000 CF)].
- (2) Four 6000psi DOT Cylinders, 2036 CF, Wall Mounted, Breathing Air Storage System (complete with 4 cylinders with CGA-702 nuts and nipples, wall mounted, and all interconnecting hoses for cascade operation).

System price:

\$32,000.00 (with trade in of old compressor and cylinders)

\$35,000.00 without trade

NOTE: If interested in financing please let me know and I can send a payment schedule

Pricing includes delivery, start up, initial air sample, and training at start up by CAT'S personnel. The 208/230 volt single phase power supply the electrical compressor pigtail will need to be supplied by the Ward Fire Department.

OPTIONAL: 5 Year/1000 Hour Warranty, \$ 500.00

The above outlined extended warranty increases the standard two year parts and labor warranty on the compressor block and purifier by an additional 3 years or 1000 hours.

The unit must be serviced by factory authorized personnel on a semi-annual basis, OEM components must be used, and the compressor must be run at least one hour per week. If any one of these terms are not met then the warranty coverage reverts back to the standard two year parts and labor warranty coverage.

Please note that we here at CATS Corp. are very much interested in continuing a business relationship with the Ward Fire Department and trust that should you have any questions or need any additional information about any of the services or products we offer, that you will contact us for assistance.

I will close by saying thank you for your time.

May we be of service?

Terms: Net 30 Days

F.O.B. Delivered

Lead Time: Stock Unit if Available

Lead Time: 20-26 weeks (if stock unit is not available)

Quote Valid: 60 days

Sincerely,
